August 14, 2017

Mr. James J. Cunha
Town Manager
Town of Barrington
283 County Road
Barrington, RI 02806

Dear Mr. Cunha:

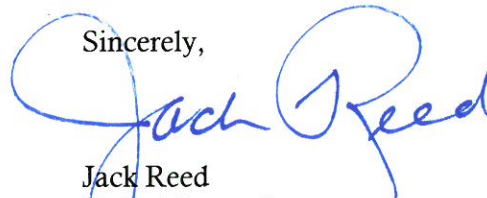

I write to congratulate you and the people of Barrington on receiving City Tree Recognition from the National Arbor Day Foundation.

Tree City USA is sponsored nationwide by the Arbor Day Foundation in cooperation with individual state foresters and with the support of the USDA Forest Service Urban and Community Forestry program. Currently, the Tree City USA program recognizes over 3,400 communities across the country, representing all fifty states. Here in Rhode Island 12 communities have been recognized for their vision and commitment to supporting community forestry.

Today 135 million people in the United States live in a Tree City. Barrington clearly demonstrates that it is a place that seeks to create a community which values the quality of life of its citizens. I applaud your efforts to beautify our Rhode Island community and enhance the quality of life in the Town of Barrington.

Warm regards,

Sincerely,

Jack Reed
United States Senator
