

Spencer Trust “Super Senior” Resident Grant Program Questions & Answers

1. Who qualifies for this program?

The Super Senior Grant Program is for resident homeowners who are at least 80 years of age and have been residing in Barrington for at least the past 10 years. Applicants must be income-eligible with limited liquid assets. Specific income and asset limits are determined each year and can be found on the application.

2. What is the application process?

Applications require a notarized attestation by the homeowner confirming that the application criteria are met. Applications must be re-submitted annually.

Application forms are available at the Barrington Town Hall from the Spencer Trust Administrator, Town Clerk, or Finance Department and at the Peck Center. The form also can be found online by scanning the QR code to the right.

Completed applications must be dropped off at Town Hall or postmarked by the application deadline (Monday, March 9, 2026). You can drop off your form after hours using the tax payment drop box outside the Finance Department door located to the left of the main door of Town Hall.

3. The signature on the Attestation Form must be notarized. Where can I find a notary public?

Your signature on the Attestation Form must be notarized. There are several notaries available at Town Hall. Please ask for a notary by stopping by the Town Clerk’s Office, the Finance Department’s tax payment window, or the Spencer Trust Administrator’s desk in the Planning, Building, and Resiliency Department.

Alternatively, you could ask for a notary at a local establishment such as a financial institution, law office or shipping store (like UPS).
